Notes

Often the costs of larger repairs will justify the alternative of investment in full-scale improvements. It may make just as much sense to upgrade a home system (with an improved one) as to repair it or incur ever-more-frequent and expensive maintenance for an inefficient, obsolete or dying system. For a DIY project, it is also useful to establish limits on how much time and money you're willing to invest before deciding a repair (or list of repairs) is overwhelming and discouraging, and less likely to ever be completed.

Notes

San Diego is tracking national recovery trends in stabilizing commercial rents and vacancies, but Miller said it might take San Diego developers a bit longer to meet any upsurge in demand because it typically takes longer here to get zoning and building approvals

Comments Regarding Comparability of Sales and Listings

- Sale 1** Building is 12,960 sq. ft. situated on 10+/- acres of land with room to expand. Office and storage areas are 3,600 sq. ft., are heated with gas forced air and air conditioned. Nicely finished private offices, conference room and flexible open space. Shop is 9,360 sq. ft., has in-floor drain, radiant heat and three drive-thru bays. This offering has excellent visibility from Highway 53.
Mixed-use property in the heart of Spirit Valley neighborhood of Duluth. This building has two apartments on the upper level with good rental history, 1,248 sq. ft. of office/retail space on street level and full basement.
- Sale 2** Very nice office building located on north side of Cloquet. 7,192+/- sq. ft. with outstanding features. Built-in cabinets, solid wood doors, gas fire place in lobby, kitchen equipped break room, numerous offices, multi-tenant design, in floor heat, land to expand and more! 6,700+ cars per day drive by this location!
21 acres of commercial property on the corner of US Highway 2 and MN Highway 194. Currently operated as the Saginaw Campground, this property includes a mobile home with private well and septic along with well, septic and additional infrastructure for the campground. CN rail adjacent.
- Sale 3** Duluth's historic former Duluth-Superior Street Railway Co. office building is for sale. Nicely maintained and remodeled two story facility with 3,200 sq. ft. per floor plus a full basement. Includes a surface parking lot next to the building and additional surface parking across the street. Easy access to Interstate system in the heart of redeveloping Lincoln Park neighborhood.
The former convenience store has been used as an auto repair shop and includes a carwash. Alternatively, it has excellent potential as a redevelopment location.
- Listing 1** 54.2 acre parcel on one of Duluth's major intersections (Haines Road and Arrowhead Road) is available for development. MU-C zoning allows for many uses. Easy access to US 53, the Duluth International Airport, Airpark Industrial Park and Miller Hill Mall area retail center makes this parcel a one of a kind opportunity!
This property has a great nautical theme that fits with the area and could be used as a restaurant, gift shop, professional office building or other commercial use. 3,132 sq. ft. building sitting on 1.52 acres with visibility to the Highway 61 Expressway or from the Scenic Highway.
- Listing 2** 11,300 sq. ft. of very flexible space that includes ample on-site parking and two 10' drive-in doors. Building has office/showroom areas, production type of spaces and warehousing space. Located in Proctor, this building is near Interstate 35 and Highway 53 via US Highway 2 connecting to Minneapolis/St. Paul as well as the Iron Range.
Office area for operational support, numerous loading docks, sprinkler system throughout, gas unit heaters in warehouse and forced air units for office and an additional cold storage garage are just a few of the many features. Will consider partnership arrangements or sale of a portion of the real estate.
- Listing 3** One of a kind facility located in the Laskin Energy Park in Hoyt Lakes now available for sale. Building is 29,000+/- sq. ft. including 4,400 sq. ft. of office, 17' clear height, large power (480V 800 Amp), three loading docks and one drive-in door located on 10+ acres. This steel building was constructed in 2001. Facility is near the Mesabi Nugget and Polymet operations.
21 acres of commercial property on the corner of US Highway 2 and MN Highway 194. Currently operated as the Saginaw Campground, this property includes a mobile home with private well and septic along with well, septic and additional infrastructure for the campground. CN rail adjacent.

NOTES ADDENDUM

The history of University Heights begins during San Diego's first period of large-scale urbanization. After completion of the Santa Fe transcontinental railroad in 1885, San Diego's population increased by approximately 2,000 new residents each month.

Several speculative real estate developments were initiated to accommodate the increased demand for housing -- one of them was University Heights. In 1887, a large windswept tract of land overlooking Mission Valley was subdivided by the College Hill Land Association, a syndicate of businessmen owning land in the proposed subdivision.

Headed by Daniel Choate, who was also developing City Heights to the southeast, the syndicate promised prospective buyers that a branch college of what would eventually become the University of Southern California would be located in University Heights. The proposed San Diego College of Arts was to be the drawing point of the subdivision.
